Thank you for hiring **Ian B. Danziger**, dba **Danziger Photography**, dba **ibd-designs**, to provide photography services for your event. How were you referred to Danziger Photography? Name of person, business or website:

☐ **WEDDINGS:** Photographer covers the entire event from start to finish, typically 8-12 hours. All images get preliminary editing and then the entire gallery is uploaded to www.ibd-designs.smugmug.com where it remains indefinitely. Advanced retouching done at photographer's discretion. Unless stated otherwise in this contract, payment in full is required before images will be released or displayed in any format. Balance due is required on or before the wedding day. Bride is expected to provide her own "must-have" list for formals only. Wedding photography services require a 20% nonrefundable retainer fee to hold the date (applied to the balance due). Unless specified in this contract, your photographer is Ian Danziger. While we don't mind friends and family taking photos from their own vantage points or during the reception, we will be the only photographers allowed to roam during the ceremony and the only professional photographers capturing the event.

PAYMENT DETAILS: A 2.6% fee is added for credit card processing. Unless specified otherwise in our contract, clients not paying the remaining balance on their account on or before the event date will accrue charges of 10% of the remaining balance per month of delinquency. Accounts more than 30 days delinquent may be turned over to a collection agency or face other legal action. If you feel you may be unable to pay your balance, it is important to notify us before the event date so that alternative arrangements may be made up to and including cancellation of the contract prior to the event. Images will not be released in any format until payment has been received in full. Checks or any other payment rejected by your bank for insufficient funds will cause your account to be considered delinquent.

DETAILS:

PERMISSION TO PHOTOGRAPH: For valuable consideration received, I (the client, legal representative or assign of the client) hereby grants to Ian B. Danziger, dba Danziger Photography, dba ibd-designs ("photographer") and his legal representatives and assigns, the irrevocable and unrestricted right to take photographs of me or of individuals attending this event which is created by, organized by, or of which the client is legally liable for, with the understanding that attending the event places each guest in a situation where they may be photographed without giving individual permission. **USAGE:** Client authorizes photographer to use these images on his website, as part of his portfolio, and to promote his business. **LIABILITY:** Furthermore, I (the client, legal representative or assign of the client) hereby release Ian B. Danziger, dba Danziger Photography, dba ibd-designs ("photographer") and his legal representatives and assigns from all claims and liability relating to said photographs or the process of capturing the photographs. **CANCELLATION:** Clients choosing to cancel their contract and/or request the photographer NOT provide photography services on the reserved date must do so at least two weeks prior to the event. All funds paid on account excluding a retainer/deposit will be retained as a credit toward future photography services. Client may make one date change at no penalty but must accept an associate photographer if the new date is already booked. Subsequent date changes will require a new contract and retainer fee based on current rates posted at ibd-designs.com. No money will be refunded. **PROMOTION:** Client authorizes photographer to display banners, business cards and related materials at the event as deemed appropriate. **DISCLAIMER:** Event photography has so many live variables that it is impossible to guarantee a perfect shot with every pose. While I make every effort to capture perfect images — through the use of equipment and experience — it is still possible that some photos may not turn out to your expectations. For this reason, no specific images are guaranteed and no jobs will be refunded. If there is a problem, I will be happy to discuss alternatives, such as a subsequent photo session. If I or my agent is unable to fulfill our onsite photographic obligations due to equipment malfunction, lost or stolen equipment (photographic or transportation), personal or family emergency or other events beyond our control, I and/or my agents are only liable for refund of any fees already paid by the client, and will arrange some alternative photo shoot at cost not to exceed fees paid by the client. Ian Danziger carries liability insurance.

GROUP FORMALS: Danziger Photography is not responsible for any “missed shots” during a wedding. You trust our skills and experience in capturing the moments of your day. This is what we do. But the group formals session is the exception. The client is expected to create a list of “must have” formal poses and assign somebody to manage that list and compile the people for each photo. The photographer will be responsible for arranging and shooting. Friends and family may take their photos only after the photographer gets his shot. Following is a sample list on which you may base your own. Some of these can be done as preformals before the ceremony. We all want to get to the reception!
